11 New Coffee-Table Books To Invest In Now

Whether you're looking to treat yourself, or in search of a gift for a special someone, there's nothing quite like a lavishly-illustrated book to decorate your coffee table. *Vogue* rounds up 11 new releases that will make the perfect addition to any fashion lover's book collection.

Hidden Gems: Jewellery Stories From The Salesroom

Hidden Gems explores the stories behind some of the most intriguing of jewels. The 40 tales span cultures, countries and time periods, and together form a unique narrative - this is a jewellery book like nothing you've seen before.

Hidden Gems: Jewellery Stories From The Salesroom by Sarah Hue-Williams and Raymond Sancroft-Baker (£35, Unicorn Press)
